Calculate Area and Perimeter

Write an Algorithm and draw a Flowchart to Calculate the area and perimeter of a square.

Algorithm:

- Step1: Start
Step2: Read The length l
Step3: $area = l \times l$
Step4: $perimeter = 4 \times l$
Step5: print area and perimeter
Step6: Stop

Flowchart:

21801299

P. Theppan Sanjay

Ex. No.: 2

Date: 21/9/2024

Days to Year Conversion

Write an Algorithm and draw a Flowchart to convert the given days into years & months.

Algorithm:

Step1: Start

Step2: Read days

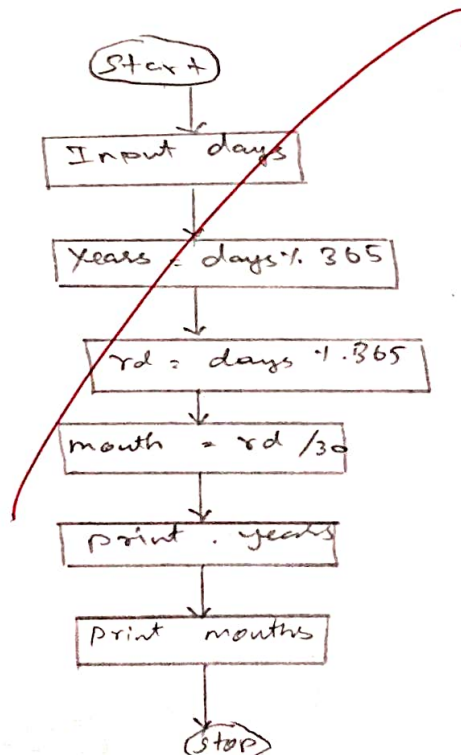

Step3: $\text{year} = \text{days} / 365$

Step4: $\text{month} = (\text{days} - (\text{year} * 365)) / 30$

Step5: print year, month.

Step6: Stop

Flowchart:

241801299

R. Theppan Sanjay

Ex. No.: 3

Date: 21/09/2024

Prime Number

Write an Algorithm and draw a Flowchart to check whether the given number is Prime or not.

Algorithm:

Step 1: Start.

Step 2: Read num.

Step 3: For loop i from 2 to num-1

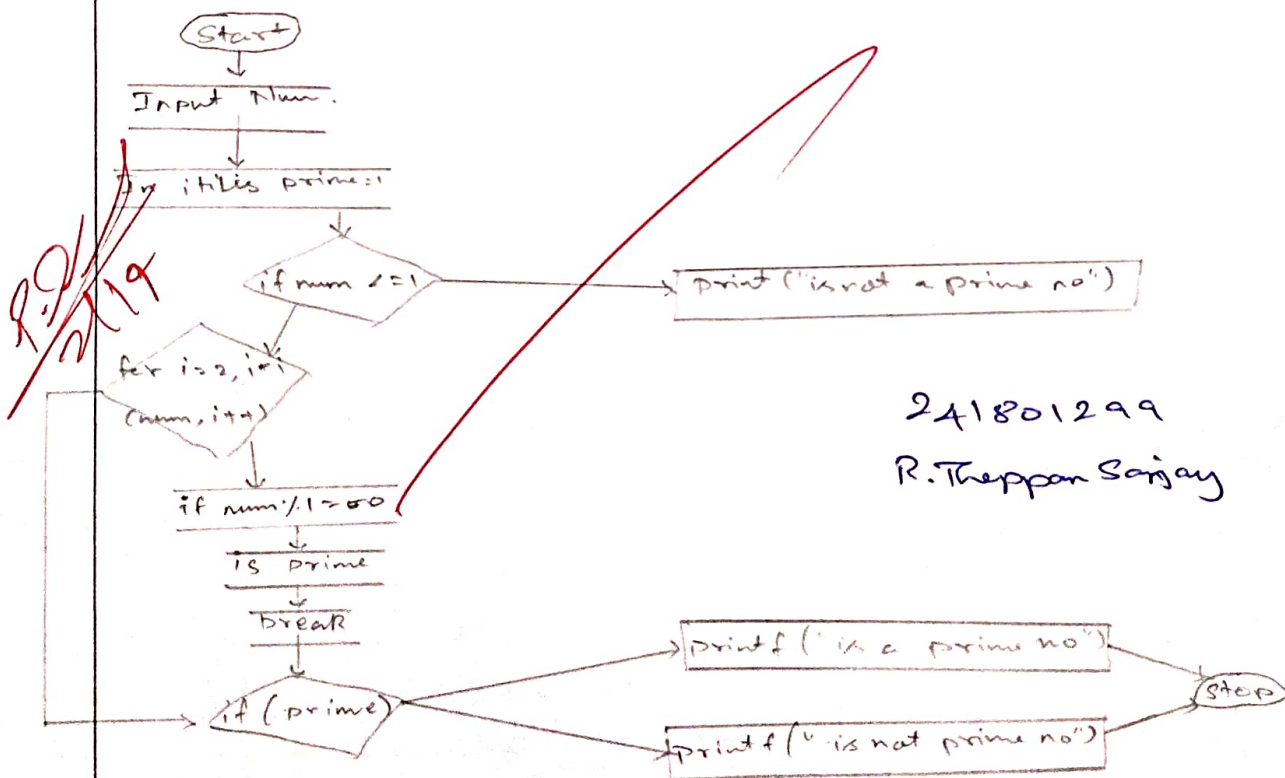

Step 4: If num % i == 0, print not prime

Step 5: else (num % i) != 0, print not prime

Step 6: else if print prime.

Step 7: Stop

Flowchart:

Ex. No.: 4

Date: 25/9/2024

Leap Year

Write an Algorithm and draw a Flowchart to check whether the given year is Leap year or not.

Algorithm:

Step1: Start

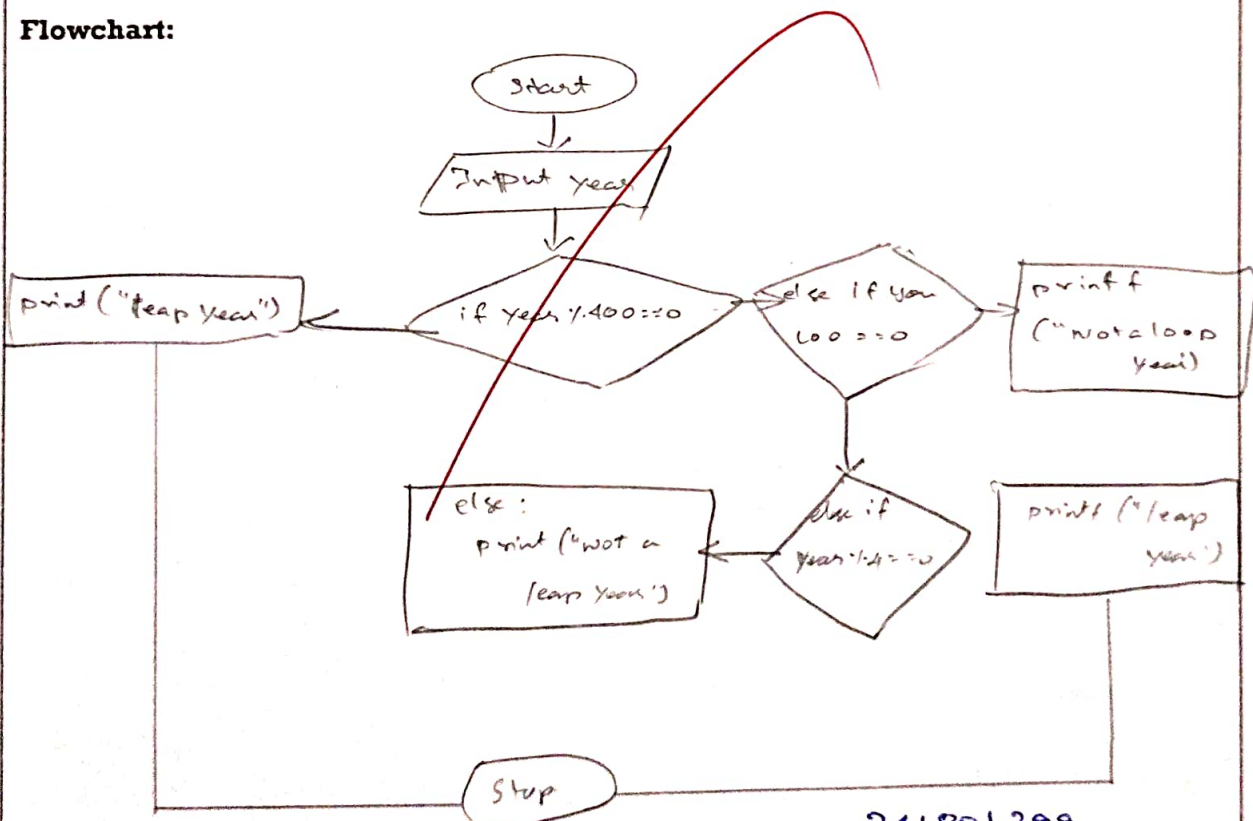

Step2: Read year.

Step3: if $((year \% 4) == 0)$ print leap year

Step4: else print not leap year

Step5:

Flowchart:

241801299

P. Theppan Sanjay

Ex. No.: 5

Date: 25/9/2024

Palindrome Number

Write an Algorithm and draw a Flowchart to check whether the given number is palindrome number or not.

Algorithm:

Step1: Start.

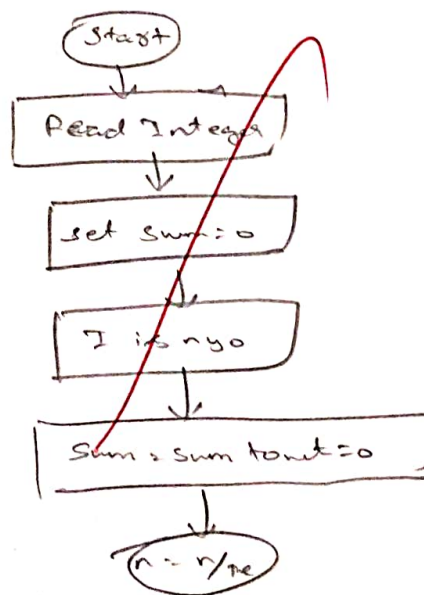

Step2: Read num.

Step3: Reverse num and store in var.

Step4: If num == var, print palindrome.

Step5: else, print not palindrome.

Step6: Stop

Flowchart:

241801299

R. Theppan Sanjay.

Ex. No.: 6.

Date: 25/09/2024

Sum of Digits

Write an Algorithm and draw a Flowchart to calculate the sum of digits in the given number.

Algorithm:

Step1: Start

Step2: Read num.

Step3: $sum = 0$

Step4: $sum = sum + (num \% 10)$

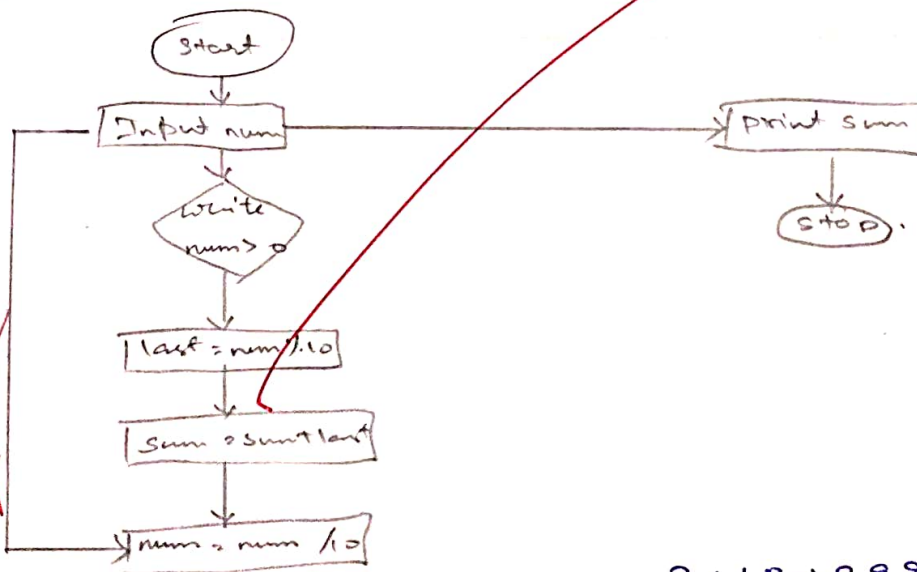

$num = num / 10$

Step5: While $num \neq 0$, goto Step4

Step6: Print sum.

Step7: Stop.

Flowchart:

241801299
